Dear Club,

Firstly, thanks for a great mag! The birds you feature are always top notch and I usually end up whacking myself off within minutes of getting the new issue.

Something happened to me the other Saturday that I thought might be of interest to your readers, so here goes.

I'd been out on the lash with two of my mates, Lee and Briggsy, at a club in the West End of London. I had only managed to get a couple of snogs and a quick grope off some dumpy American tourist. Lee had failed completely, but Briggsy had come up trumps with a well fit babe from up Manchester way.

Karen was a real beiter and the lucky git had even persuaded her to come back to his gaff for the night, so there we all were on the last train home. I was slumped opposite Briggsy and Karen getting sort of turned on as he had his hands inside her tight top and I couldn't help watching as he squeezed her small but nicely rounded tits and fiddled with her nipples while they snogged each other's faces off.

I glanced over at Lee and he was ogling the action as well. It was at this point that Karen looked over and noticed us staring at her tits. Instead of being annoyed, she just winked and pushed her chest out so we could see the outline of Briggsy's fingers fondling her

even more clearly. My dick stood to attention immediately and I dropped my hand beneath the table so I could rub my cock as the cheeky slut smiled at us and licked her lips while my mate nuzzled her neck. Fuck!

This Karen was a right little goer and obviously Briggsy wasn't enough for her. Suddenly, she leaned forward and puckered up, making it obvious she wanted a kiss.

Lee was quicker than me and leant across the table to take up her offer. Our pal was so pissed he didn't realise what was happening for a while, but when he did, he just sat back and watched her through half closed eyes.

"Don't leave Dave out, babe," he said, grabbing one protruding nipple, and she obliged by pulling her mouth away from Lee and locking those plump, lipstick-coated lips onto mine. Her tongue pushed inside my mouth and I could'n't resist stroking her other tit as we kissed. Lee joined us, feeling up her boobs, and my cock was throbbing like hell as I felt a hand close around the shaft. My mates certainly weren't gay so the only explanation was that Karen fancied something a bit stronger than a kiss.

"Why don't you suck him off," Briggsy slurred

beside her, not knowing Karen had already taken the situation in hand, so to speak. I looked around the carriage; I could only see three other people and they were asleep. Without a word Karen slid off her seat and the next thing I knew, her hands were tugging down the zip on my jeans and dragging out my rigid prick under the table.

I gasped as her lips closed around my knob before sucking me inside her mouth. The lads were laughing at the expression on my face as Karen began wanking the base of my dick with her fingers while slurping hard on my shaft.

Judging by the grunting sounds coming from Lee, the dirty minx was fiddling with his dick at the same time as sucking me, and just as I thought I was about to spunk down her throat, she pulled my meat out of her mouth and substituted it with my mate's. Luckily, she continued to wank me and I knew I had to get my cock up her before we reached our final stop. After sucking Lee for a couple of minutes, she clambered back into her seat, her lipstick smeared around her mouth and a filthy grin on her face.

She leant against the near comatose Briggsy and he idly slid a hand up her bare thigh, pushing her mini-skirt up as he did so, until Lee and I saw her naked, shaven cunt. Fuck, the tart wasn't even wearing knickers. I dropped beneath the table and pushed my head between her legs, lapping at her pussy as I did so. Just inside her fanny she was soaking, and my tongue slipped up her fleshy hole on a mixture of saliva and love juice. Briggsy's finger was working on her clit as I sucked and Karen was loving the attention.

"Quick, fuck me," she moaned. I didn't need telling twice and crawled up between her wide-open thighs. My dick was still out and ready for action so I just sort of fell on top of her as she guided my tool inside her sodden twat. Even as I began to thrust inside her, my butt bashing the table edge on the out stroke, the train began to slow for our final stop. I banged inside Karen as fast as I could, desperate to cum up that gorgeous fanny. The train pulled to a halt and as the tannoy blared our arrival, I shot my load deep inside Karen's gooey hole.

A guy walked past as I finished emptying my balls up her cunt and tutted loudly, but we both just laughed as I slid out of her and we all staggered towards the door, frantically adjusting our clothing. We split up and I watched Briggsy and Karen wander off down the platform, a trickle of my spunk glistening on her thigh as it ran slowly down her leg. I guess Briggsy doesn't mind having sloppy seconds.

It's been quite awhile since Steph entered our sphere, so we're grinning from ear to ear at the thought of having the sizzling saucepot in Club this month. With a rear more ripe than an orchard in summer Steph has been capturing our imaginations and implicating herself in our dreams, all of which have been thoroughly naughty. ♣

TOTAL RECALL

Dear Club,
I'm really hoping that you'll be able to dig out the splendid photographs I once saw of Julianne in Club Vol.19 No.01, and publish them again in your Total Recall section, as I've done nothing but recall Julianne over the years. I've searched high and low for a copy of this issue as my one came a cropper to the bin, via a parental hand when I was a younger man (I'm sure some of your readers have had similar experiences). But anyway, please make a chaps year by featuring the sublime Julianne again and thanks for your brilliant mag!
Brian, North Hants.

MADI 

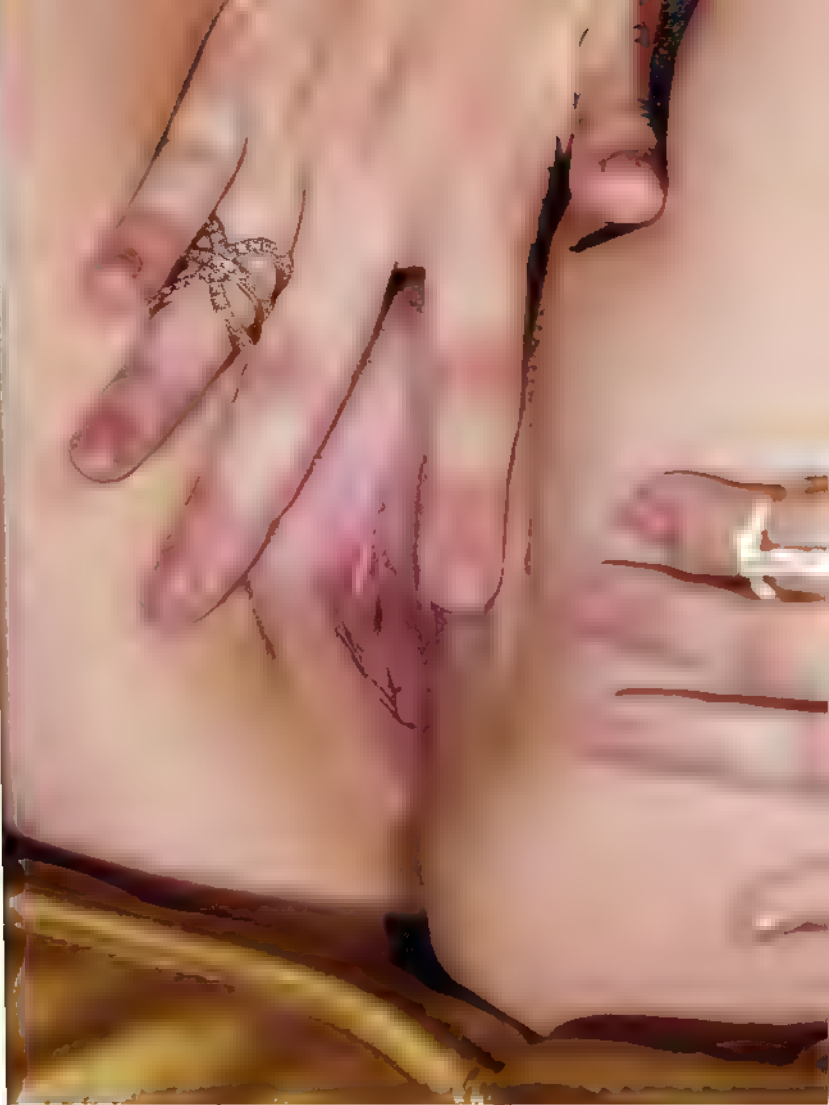

Let's do the time warp again, but with Madi Meadows instead of Tim Curry's suspender-clad legs leading the charge of delight, in this steamy retro affair. Apart from the fact you appear to be ensconced in Austin Powers' love den complete with a gold sofa, are you having a good time?

"I'm having a great time, and I love the gold couch! It's pretty slick!"

That's not the only slick thing in this room looking between your legs.

"You're a cheeky one! I'm just so hot for this couch right now."

That told us. ♣

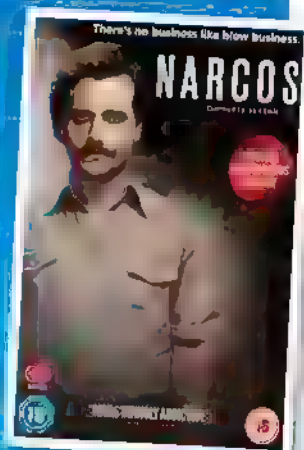

MADI ♣

A man with a mustache, wearing a light-colored short-sleeved button-down shirt and dark pants, is sitting on a patterned rug. He is surrounded by a large number of small, white, rectangular boxes, some of which are open. He appears to be in the process of organizing or working with these boxes. In the background, there is a wooden shelf with various items on it, including what looks like a stack of books or papers and some small containers. The room has a warm, slightly dim lighting.

Even Dyson have muscled in on the action, or lack of if you're vacuum phobic and looking for a hands-free experience on home cleaning then this could be right on your carpet. As you might have guessed Dyson are leading the way in robot cleaning, but they have overlooked excellent qualities of older vacbots that make the £799.99 price tag hard to swallow. That aside it is the best robot vac out of its contemporaries for sucking stuff up, but with no spot cleaning mode that bag of burst sugar piled on the floor will be sitting there for awhile as the 360° camera eye roams the room cleaning everything in sight. It's also a bit more granny-ish at getting about than other vacbots on the market.

Like watching things on the big screen? Then this could be right up your alley. A good 3D all-rounder is a tag line closely associated with this BenQ W1085ST projector as it sits crowned with the best pound for pound performance on the market. Specs on offer are 1080dpi resolution, with clear contrast, excellent colour saturation and solid 3D functioning. A particularly positive feature is the short throw lens with optical zoom that lets you show a big picture in a small room, one downside though is that you will have to purchase 3D glasses separately. The setup is a relaxed affair with the optical zoom lens making life easy, so you don't have to move the project once set up. There are also two HDMI sockets available on the body, and the light output is up to 2,200 lumens, which is perfect for intimate surroundings.

KAYLA

Come on Kayla Louise, get that body slam underway and pin her down! So when we tried to follow Kayla on Twitter we were surprised to find ourselves on the page of a female wrestler, who wasn't shy by any means as we watched a video of her locking her opponent to the floor. Perplexed and unsure as there were masks involved we made our confession to Kayla, who laughed heartily and reassured us that wasn't her, though she admired the power of her name double as we watched a small clip of her rocketing some poor soul around the ring. ♣

SCRUFF JUSTICE!

Barcelona Boss

Private Gold

Starring: Anny Aurora, Alexa Tomas, Misha Cross, Amirah Adara, Julia Roca and Jason Steel

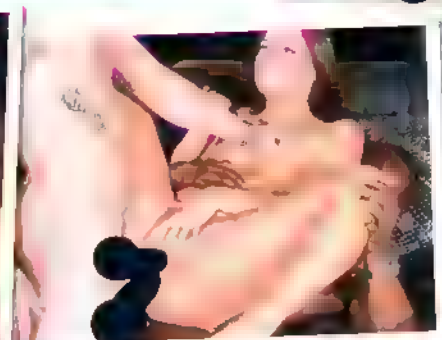

Synopsis: "A prosperous German company discovers

that its subsidiary in Barcelona seems to have unjustified losses, and the owner decides to send his son incognito to find out what exactly happens. A mean boss, awesome Alexa Tomas. A slutty secretary, Julia Roca. An angry fiancée, Anny Aurora and night creatures such as Misha Cross and Amirah Adara, will be a reality too complex to explain to his father, but worth living for his son, whose business has become a ride of joy, vice and perversion. Sex in the office, nocturnal orgies, anal, double penetrations, lesbian relationships and much more, everything is possible in the

new Private Gold, Barcelona Boss." Courtesy of Private Gold

Verdict: Barcelona is a vibrant city steeped in history, Gaudi's architecture, sumptuous food and incredibly drinkable wine that will have you rolling in the gutter if you're not careful. Then there's its business side where it sits as the hub of Spain, but what really

goes on behind closed doors? Well, they've sent the Germans in so it must be bad, in an undercover boss style scenario that won't be aired on Channel 4 anytime soon. Shame really.

So here we are with Jason Steel in the hot seat having the ride of his life from Julia Roca and her hairy mound, as he gets pussy deep in an effort to save his father's company. While Jason's getting to the bottom of the failing company, nasty boss Alexa Thomas is busy taking her colleagues home for some double blow job action before a serious spit roasting and anal spray. But Alexa's not the only one getting double joy as Amirah Adara and Misha Cross pull out all the stops for four well-hung studs, in a blistering orgy.

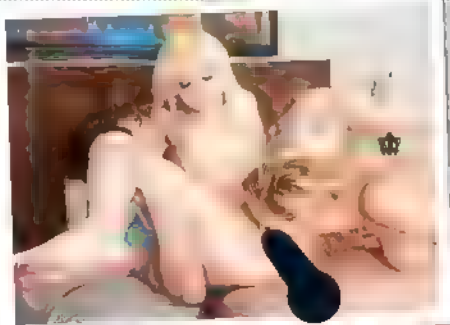

Hide and Peep

Wicked Pictures

Starring: Cherie Deville, Elsa Jean, Juelz Ventura, Ashley Adams, Jojo Kiss, Liza Rowe, Markus Dupree, Ryan Ryans, Brad Knight, Tommy Gunn, and Danny Mountain.

Synopsis: Face it - we've all been guilty of some peeping action, watching something that we're not supposed to! With "Hide And Peep", Director Kevin Moore lends his inimitable shooting style to tackle the fine art of "peeping." Of course Moore's take on ogling someone at the gym, sunbathing or modeling clothes segues into an intense sucking and fucking marathon complete with three-ways, dual masturbation, nosy neighbors, a mother's boyfriend and so much more! Hide And Peep ... c'mon - you know you want to

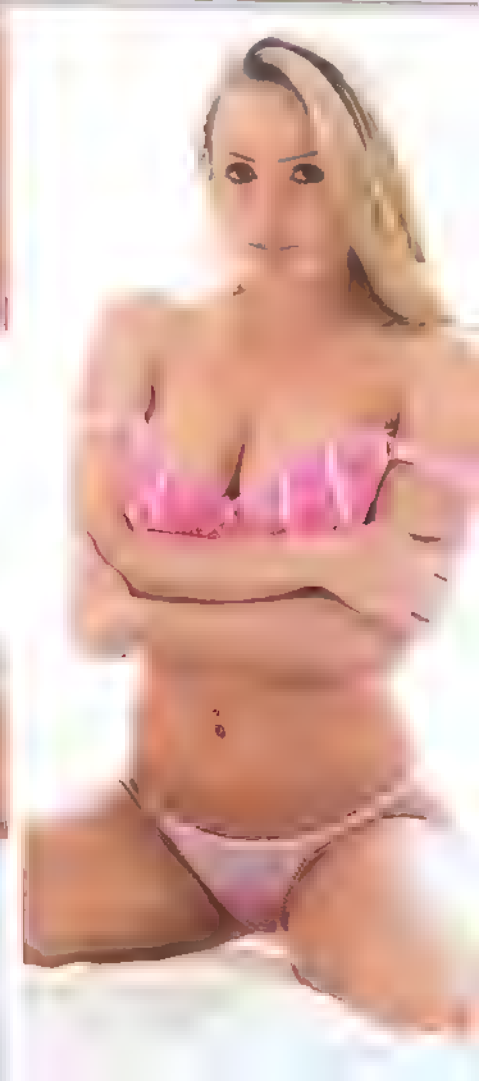

take a look! Courtesy of Wicked Pictures

Verdict: Now this could be a very successful version of the children's game for adults, as we know our human nature just can't resist a sneaky peek when we are aware something's off limits. So why not indulge with Kevin Moore's, Hide and Peep for Wicked Pictures that delivers a healthy dose of voyeurism in different and interesting situations, but we all know they won't be watching from the shadows for long before some full on fucking erupts. You don't have to wait long either as the first scene brings in a three-way with Cherie Deville, Elsa Jean

and Marcus Dupree who just can't believe his luck! It's all go with five scenes to enjoy and many everyday scenarios that turn to the advantage of one lady or another. Ryan Ryans the cheeky little chappie even takes a quick video while he's watching for some later enjoyment we can only assume

MAID IN HEAVEN

I have been working as a chambermaid in one of Birmingham's top hotels for the past two years. Most of my mates think that it's a dead end job; but it certainly has some fringe benefits.

I have altered my standard issue maid's uniform to fit much more snugly to my curvaceous figure. I showcase my DD knockers in a push-up bra, and have even shortened my skirt to ensure that when I bend down, it raises up to reveal my thong. Truth to tell, I've been propositioned many times by both male and female guests, and have only rarely turned any of them down.

While on duty last Sunday, I knocked on a door to see if the guest had vacated the room and, when there was no immediate response, I opened it and walked in.

To my surprise there was a strikingly handsome woman lying on the bed, boffing herself with a massive black dildo! Apologising profusely, I began backing out of the door, only to be arrested in my tracks by the woman's plaintive voice pleading with me to come in and join her.

She admitted to having waited for me to come by on my rounds, adding that her friend, Mrs Maxwell, had told her about me. I remembered the strikingly tall Mrs Maxwell and her exquisite cunnilingus with fondness! Slowly, I closed the door and made my way to the bed. Lying beside her – our faces only a few inches apart – I held my breath as I felt her hands slide up under my skirt. Moving

them gently across my trembling arse-cheeks, she pulled the string of my thong hard into my moistening crevice.

Cupping a bum-cheek in each hand, she wriggled even closer and, looking into my eyes, opened her red lips. I could feel her fingers digging slightly into the warm flesh of my behind, as I inhaled the scent of her lightly perfumed body, and gloried in the intimacy of her warm touch. Our breasts brushed, and my nipples hardened almost painfully as I became fully aroused by her touch.

Closing my eyes, I pressed my mouth tightly to her wet lips, and the woman responded by intensifying her grip on my bum cheeks. For a moment we were locked in a deep French kiss, as she thrust her tongue all the way into my mouth and moved it around. Then she pulled my buttocks closer, pressing our groins together.

Sighing and gasping, we sucked and licked at each other, our bodies pressed together. "Oh..." she sighed, pausing for an instant as she trailed her lips down my neck. I let my head fall back as her lips worked at my tingling flesh.

Now that she had made the first big move, this lady could barely contain herself. She quickly shrugged off her negligee, bumping against me as she struggled to free her body completely.

I stared as though in a trance at her huge, heaving tits bouncing before me, my mouth watering as I gazed transfixed at those supremely shapely giant melons. Then she unfastened the buttons on my maid's uniform, stripping me off so eagerly that she hurt me slightly as she whipped off my little thong.

Once again we became locked in an embrace, our breasts mashing together – her fabulous tit mounds sending tremors of lust through me. Our furry cunts ground sensuously together and I felt the warm juices trickling from her twat as we bumped snatches.

I threw one leg around her driving hips, forcing our dripping twats into even more intimate contact.

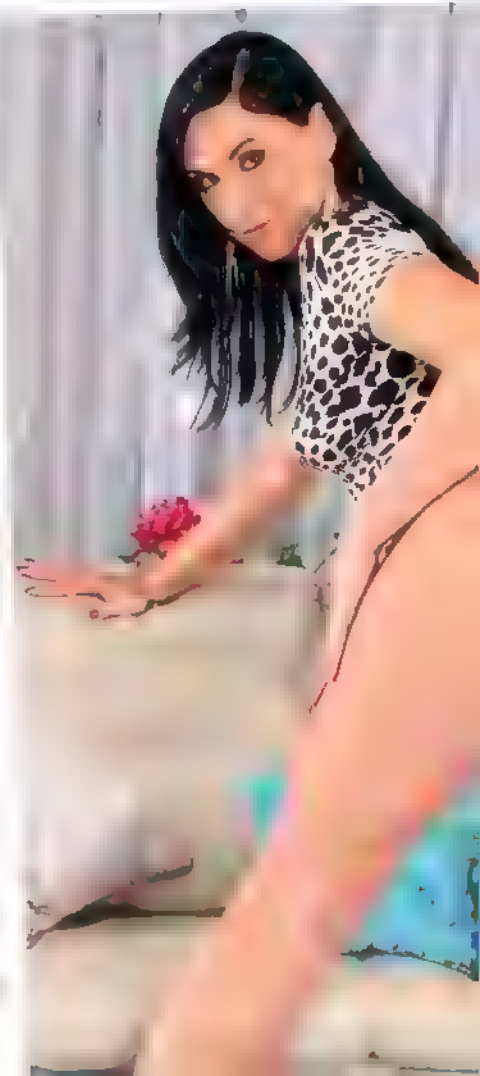

"I've got to taste you!" she gasped, breaking our kiss. Licking her lips, she dived downward onto my body, her mouth latching onto my tits, sucking like a maniac at my rock-hard nipples.

Raising her head and displaying a grin, she headed for her ultimate goal: my juiced-up

twat. Placing her hands on my hips, she sucked in a mouthful of cunt cream from my dripping labia. Her talented tongue lapped at my minge, lashing my lust-inflamed slit and digging it deep inside my hot hole to lap up my sexual ooze.

I found myself heaving and tossing my hips forward into her face, mashing my pussy hard against her increasingly demanding mouth. Gnipping her head, I held it even more tightly to my groin, groaning as she munched my pussy with all the gusto and skill of a real muff aficionado.

No man had ever been able to bring me to such a peak so quickly with his mouth. I could feel the delicious spasms starting that heralded a surging orgasm, so I spread my legs wider, humping my hips back and forth, fucking myself on her apparently tireless tongue. I came hard – quite literally spraying

“As he ground his hips forcefully into my twat, I felt his cum-bloated balls smacking against me.”

her face with the full force of my pent-up libations.

Some time later I licked my lips and adjusted my uniform before returning to work. I had given and received many orgasms in a short period of time, and as I closed her door I heard the whirring of her vibrator as the woman cranked the toy up once again.

For the rest of that morning, I preformed my duties minus panties, with the woman's scent still clinging to my body. But the fact is that my ardor had only been very temporarily satisfied and my pussy still ached with need while I stripped the sheets from the morning's 30th or 40th bed.

That's when I found the pair of sexy black silk boxers discarded on the carpet. I bent to pick them up, then on impulse, held them to my nose. They

“**...he began to rock over me, sliding the hot length of his hard meat deep inside me.”**

smelled strongly of semen and had a dried-in stain on the front. Still intoxicated by the intensity of my recent encounter, my tongue darted out and, almost involuntarily, licked the dried-in substance from the exotic fabric. I love the taste of cum, and I actually sucked on the front of the boxers, closing my eyes as I savoured the flavour.

I was brought back to earth abruptly by the sound of the bathroom door opening and the sensation of a strong pair of hands grasping me around the waist. Whoever was behind me lifted me straight onto the bed. The man was laughing as he held me down. He was young – a few years younger than the woman – dark haired and, I judged from the bulge in the front of his suit trousers, extremely well endowed.

Feeling uncomfortable at being caught with a guest's boxers in my gob, I squirmed under him. This only served to make him even more hard and, smirking at me, he asked if perhaps he “could be of service to me.”

I never seem to be able to get enough hard cock, and I felt myself juicing as his fingertips slid gently down the back of my uniform, tracing the curve of my spine. Trembling slightly, I melted into his arms, nibbling at his neck, my tongue leaving a moist, glistening trail on his soft skin.

He undid my uniform and slowly eased it off before moving his fingers to my moist slit. With little whimpers of pleasure, I spread my thighs as his fingers teasingly stroked my labia.

Then, on a whim, I grabbed for the hand he'd been fingering me with and held it up to my face. His finger was wet and gleaming with the oily juices of my aroused pussy.

Holding his gaze, I slowly licked his finger clean, savoring the taste of my own tangy sex fluids. When I finished, I lightly kissed his lips, giving him, in turn, a taste of my excitement. Quickly I removed my bra, trembling slightly with my need as I pulled it off.

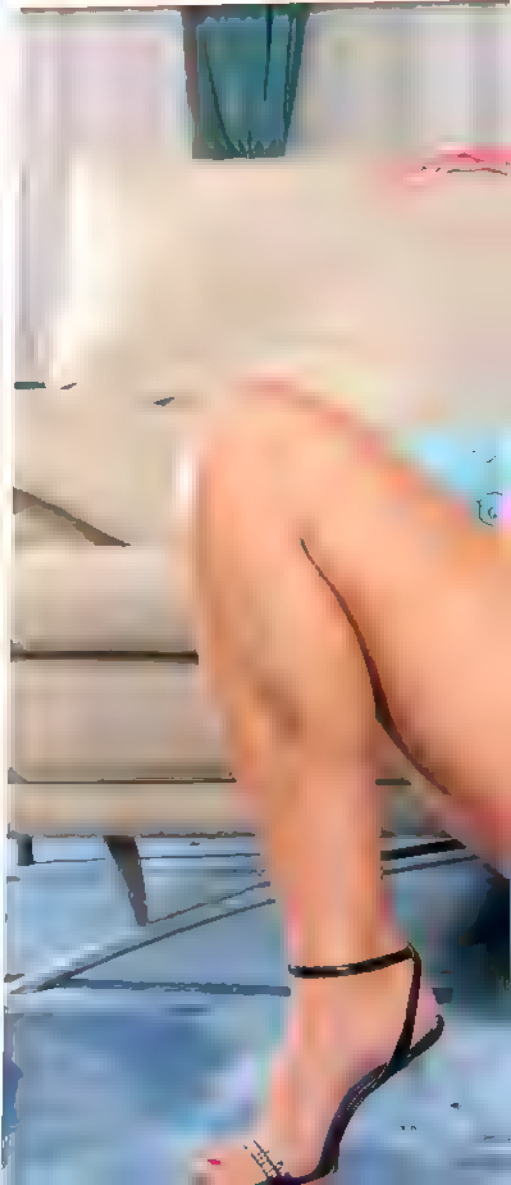

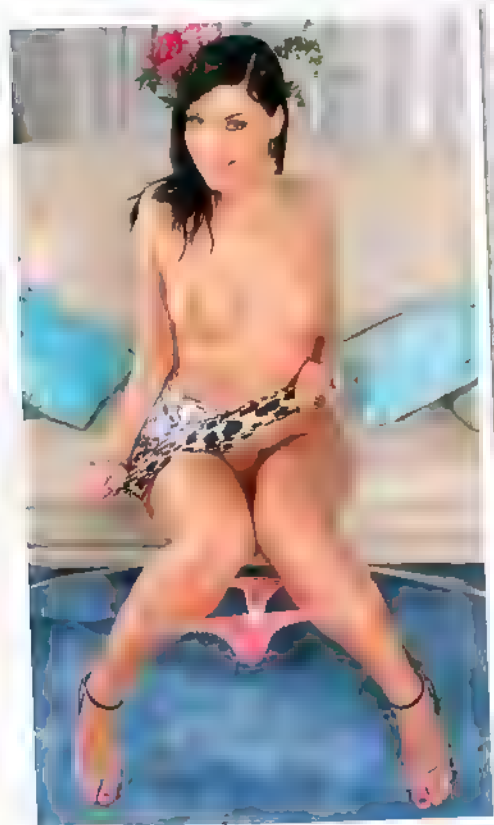

His eyes roved hungrily over my naked body as he fumbled to remove his own clothing. I smiled as I watched him practically tear off his shorts. His powerful young cock sprang out, thick and meaty and eager for my pussy, and a shiver of anticipation quivered in my soaking cunt when he moved back on top of me. His thick, erect prick pressed down into my yielding belly as he lowered his body onto mine. Shifting his hips down so that his fat cock slipped between my cunt lips, he began to rock over me, sliding the hot length of his hard meat deep inside me.

Then, with one protracted push, he shunted his thick shaft up my moist cunt, until he was balls-deep inside me. My twat constricted tightly around his straining knob, and he groaned loudly with pleasure. As he ground his hips forcefully into my twat, I felt his cum-bloated balls smacking against me. Meantime he licked and nibbled almost ferociously at first one of my taut little nipples, then the other.

I was close to screaming now, thrusting my fur-rimmed pussy hungrily upward to engulf as much of his hard, driving cock as I could. His long, even, fuck-strokes were becoming more and more urgent and brutal as he neared his climax, and I shifted my legs, wrapping them around his repeatedly clenching buttocks.

My fingernails dug into his shoulders, leaving long red furrows as I clawed at him like a wild beast. Then, speeding up the tempo of his thrusts to a rate that was nothing short of frantic, he triggered my climax. This was sufficient to push him over the brink as well, and his throbbing cock suddenly jerked in my cunt as he spurted glob after glob of cum deep into my love-hole, his semen-bloated testicles choking out a truly enormous load.

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a burn deal...

For me there is really no one particular type of bird which catches my attention more than the others; as long as she's easy on the eye and wet and wanton, I'm game. Nevertheless, if there is one thing that makes me hornier than hell, it's just got to be doing a bird in the car.

Auto manufacturers over the years have consistently used sex as a method of marketing their motors. And no wonder – especially if they draped a hot babe across the bonnet of a motor like my BMW 6 series 630i convertible. It has amazing pulling power with the birds, and, as the slick leather seats come with electrical adjustment, with the touch of a button I can place the maid of the moment in an ideal position for seduction.

Caroline, my current squeeze, positively quivers with lust when I drive fast. She's a beauty in

the Classical sense, with long dark hair, full sensual lips, smooth creamy skin and lustrous brown eyes. Her body is a sculptor's wet dream and would make even the most stoic of men spout off in their boxers were she to flash them even a glimpse of her hidden treasures.

The last time we were together, she implored me to take her for a spin, and I had barely turned the key in the ignition when she was writhing with anticipation in the passenger seat. As we drove fast along a series of narrow country lanes, she curled her body into mine on all the sharp turns. Her lovely long legs were taut, toes pressed against the floor, and her thighs spread provocatively. Her bra-less breasts were heaving as her breathing quickened, and her nipples were erect and poking against the fabric of her light blouse.

'That's my girl', I thought, feeling my erection growing, as, dropping down through the gears abruptly, I swung

“She sucked in air as I pressed forward, advancing inside her by degrees until my full length had her...”

reached out to touch it, simultaneously urging me to move forward so that she could take it in her mouth. ‘Good girl’, I thought.

But, knowing what a greedy cock gobbler she is once she starts, I declined her offer – for the moment at least – preferring to put my rod to other uses while my plums were still full. Positioning my knees on the passenger seat on either side of her hips, I took an ankle in each hand and pulled upward, raising her arse off the seat. Then I directed her to guide my penis inside her slit.

With my knob-end positioned just inside her oozing vulva, I plunged my whole length in, hoisting her legs further up as I did so. This gave me maximum penetration, and she screamed out as I impaled her to the root of my rod, filling her clenching cunt in one.

Bucking and bouncing under me, her nails dug into my back as I ploughed in and out of her box. I love the way Caroline is incredibly vocal and I’m sure that every farm animal and human for miles around must have heard her lust-filled screams. Time and again I launched my manhood inside her and withdrew, slamming the fucker deeper with every stroke. She was like a feral cat – scratching and shrieking with sheer animalistic pleasure as I sorted her violently. I knew that with this girl the gloves were permanently off and that she would use me as hard as I intended to use her.

What a rush I felt when she began to orgasm again! She crossed her ankles behind my neck and pulled my head down as her cunt began to constrict ferociously around my shaft and a string of expletives exploded from her pretty lips.

The verbal filth that issued from her only served to arouse me more. Matter of fact, I was so turned on by her dirty talk that I almost lost it and allowed myself to blow my load. I mustered my resolve and concentrated on humping her hard, doing my utmost to ignore her frenzied climax.

She was still gasping and thrashing around for a couple of minutes after the last shudder of her orgasms had subsided, and I used the time to move back to the driver’s seat and light up a cigarette. The nicotine certainly helped to calm me down, and as I stubbed it out I turned the stereo up.

Getting out of the motor, I moved round the front to the passenger side and ordered her out. Licking her glossy lips, she eyeballed my stonking erection like a carnivore looking at a

into an overgrown gravel driveway. This was a favourite spot of mine – the disused back entrance of a friend’s farm. My mates and I use it frequently as a place to park and entertain the ladies.

I could almost smell Caroline’s arousal as I parked and made my move. With her back arched stiffly and her thighs even wider apart, she met me halfway. Her lips parted, wet and ready, and her hands slid eagerly inside my jacket. She sucked hungrily on my tongue as I pushed my fingers past the barrier of her sodden panties and gently pressed their tips between her mucus-slickened labia.

With my free hand I reached for the controls and lowered Caroline’s seat, giving myself more room to manoeuvre. She squirmed, gasped and panted as I tongued her nipples through the cloth of her blouse. Caroline

bucked her fanny upward towards my crotch, making my throbbing member stiffen with every wanton gasp she expelled.

I plunged and retracted my fingers inside her squealing box as she gyrated her hips and raised her legs so that her feet pressed against the inside of the windscreen. What a horny little minx she was – squealing and begging for more, her bare thighs trembling as her pussy contracted on my fingers and her feet drummed against the windscreen and dashboard with delight.

I plunged my fingers in even deeper and twisted them. Her whole body shuddered then, and she threw her head back, howling, as her pussy spasmed, squirting her juices onto the leather seat. As she got her breath back, I opened my belt, unzipped, and pulled out my almost painfully erect cock. Caroline

"I teased her twitching sphincter with my probing tongue as I manipulated her clit with my other hand."

juicy beef steak, but I shook my head. There was no chance of me allowing her to suck me yet; I'd just shoot off prematurely! Besides: no way was I going to allow any bird to make the running. It was my motor and she was going to do it my way.

Caroline slid out of the passenger side. I lowered the window on her door and bent her over it so that her pails were on the car seat. With her voluptuous arse cocked high in the air and her long legs slightly spread, she was shapely and delectable in her stuetos. I eased her short skirt up over her lovely rump and ran my hands across the silky skin of her arse-cheeks.

I slowly eased her G-string from her cleft and pulled the tiny garment down. She lifted one leg and then the other to assist me in removing them, and as I cast them aside she sighed and shuffled her legs even further apart. A Strauss waltz struck up on the radio as I eased her buttocks apart, and I decided I was going to botty-fuck her to the rhythm of the classical music.

I bent over and laved her dripping slit, moving my tongue upward and inside her arse crack until I reached her tiny ring. Maintaining my balance by placing a hand on her hip, I teased her twitching sphincter with my probing tongue as I gently manipulated her clit with my other hand.

Caroline has no self control at the best of times, and soon she was dancing on the spot, demanding that I fuck her arse! So I teased her all the more, enjoying her reaction as her legs scissored and splayed wider, making her pussy gape and display her oozing inner pinkness to me.

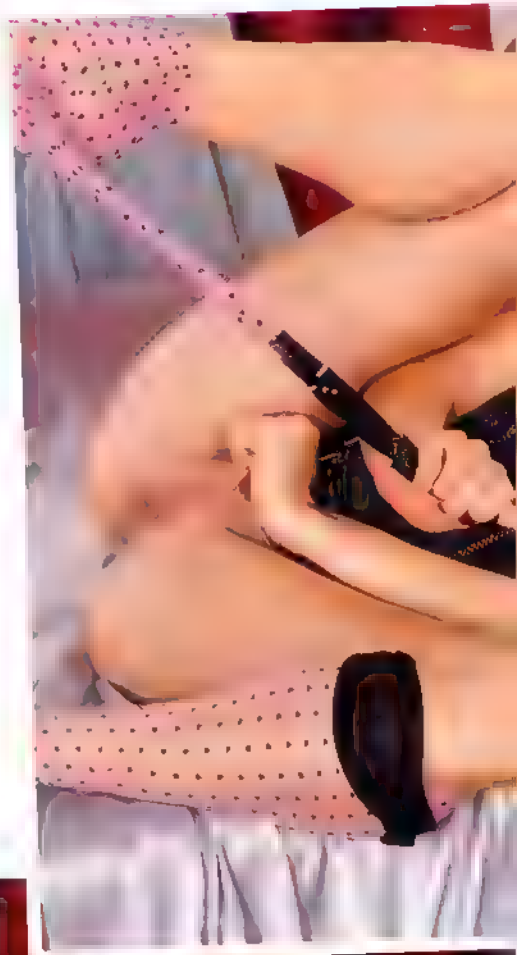

Scooping out some of the natural lubrication from her slot on the end of my finger, I massaged it into her arsebud. Then, just for good measure, I stuck my penis ball deep inside her hot cunt and shunted it back and forth. This caught her off balance and she sprawled forward, putting her full weight on the car door and sending her top half sprawling onto the seat in front!

I had her just where I wanted her now, and

after a few more forceful strokes I withdrew my cock, gave her a spank across her arse and pressed my lubricated helmet against her sphincter. With one hard thrust I lodged my cockhead inside her rump. She sucked in air as I pressed forward, advancing inside her by degrees until my full length had her well and truly butt-plugged.

She shouted that I should do her good and hard, and I took up the challenge, sawing back and forth in time to dear old Johann's Taes From The Vienna Woods. I bummed the sexy bint until my balls suddenly tightened and I knew I was about to shoot - whereupon, in one very-nearly-fluid movement, I hastily withdrew. Caroline accepted my guidance as I helped her out of the car. Dropping to her knees with the grace of a ballerina, she took my loving spoonful smack on her face, afterwards employing her fingers in an attempt to pack her mouth with my load.

Gripping my buttocks, she pulled me to her mouth and deep down her throat, draining every last drop from me before we got back into the vehicle and went home.

There's women you want to take home to meet your mum and others you just want to throw down and fuck the arse off!

It's the same with texting... who needs flirting when you can get straight down to it...telling her exactly what you want to do to hear then hearing back from her that she's sitting with a moist pussy that's ready for your aching cock!

Don't waste any more
time, text her now...

SOME FILTHY TEXT MESSAGES, I MEAN!

RIGHT this moment, all across the UK, cock-hungry women of all ages are sitting in their homes waiting for ordinary guys like you to reach out to them for filthy text sex!

Imagine her, one hand on her mobile and the other idly teasing her moist shaven pussy...

We've got 100s of ladies on our books...from 19 to 78 years old and they come (or should I say cum!) in all shapes, sizes and nationalities from all over the UK. The only thing they have in common is that they love cock and

they want to have mobile fun with
horny, fun-lovin' guys like you.

If you've never tried sexting then you're in for a treat...and with our automated system it's never been easier. All you have to do is text the trigger word GIVE to the shortcode here and we'll do all the hard work of finding a woman who's looking for the same as you...

If you want a woman from your area or a specific type just add it to your first text message...It's so easy.

MADE IN STEVE COLBY

NINA 

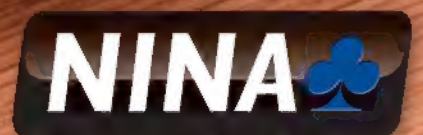

Here's a Club first from Nina who we couldn't resist with her dark features and luscious plump lips (ahem, it's up to you to decide which set to apply that too). The DD beauty who's been milling about our studio this morning, playfully giggling between the camera flashes, is a natural in front of the lens, with a naughty nature that will have you dreaming of spending an evening out on the town with this Londoner. ♣

What our well-placed moles are telling us this month...

Bonus Balls Up

We could get a pool going on the inside!

Life can be a bit of a lottery sometimes; clearly this lot paid no heed to the laws of life, but at least they kept it in the family. 51-year-old, Joan Lechleitner purchased a winning lottery ticket to the tune of \$1 million. However, it turns out that Lechleitner is being accused of having her hands in the till of a grocery store where she worked as a bookkeeper, for purchasing the winning ticket with the stolen funds. Lechleitner's fiancé, daughter and nephew were also arrested on counts of theft by deception, receiving stolen goods and

tampering with records, in a fake purchase and returns scandal that had been going on since 2011. All four defendants admit fraud.

Polly's Crackers

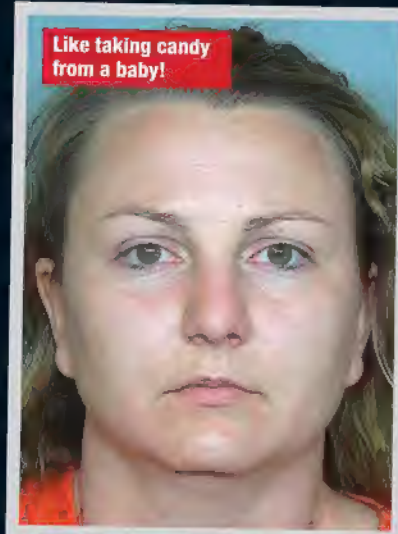

Hands off my Jacob's!

Parrots are one of life repeaters and one African Grey variety named Bud, whose beak warrants washing out with soap, may have ended up as the only witness to a murder. Martin Durham was shot dead at his home in Michigan, while his wife Glenna sustained a shotgun wound to the head. After the initial inquiry into an intruder, the finger pointed sat Glenna, who has since recovered and denies murdering her

husband. However her in-laws are quite convinced as a few weeks after their son was murdered, Lillian and Charles Durham video the couples parrot Bud, repeating an argument, complete with voice changes and at one point he can be heard saying "Don't fucking shoot." The bird is now believed to have witnessed the crime, but currently, no charges have been filed.

Bad Babysitter

Women have always been known as life's multi-taskers, but what Rachael Einspahr, 28, managed while babysitting, was no child's play. Einspahr was arrested after police confirmed the robbery of the Colorado and East Bank drive-through. According to police, Einspahr passed a note to the cashier stating that there was a man in her car, threatening to harm her children if he didn't get money. Fearing lives were endangered the cashier handed over \$500, and Miss Einspahr drove off. Once the robbery had been reported, police searched the area and found a car matching the description. Einspahr and her employer were subsequently interviewed, and police discovered she had been hired as a babysitter and that her employers children were present in the back of the SUV at the time of the robbery.
